

REMARKS

Claims 1-40 are rejected under the judicially created doctrine of double patenting as being unpatentable over prior U.S. Patent Nos. 6,038,597 and 6,694,365. Although Applicant respectfully traverses this rejection, Applicant submits herewith two separate terminal disclaimers under 37 CFR 1.321 to obviate a double-patenting rejection over each prior patent and expedite prosecution of the application.

In view of the above, it is respectfully submitted that claims 1-40 are in condition for allowance. Accordingly, an early notice of allowance is courteously solicited.

Respectfully submitted,

James R. Bell
